Hey, guess what?
I have something to tell you...
are you ready?

Coloring is not just for toddlers!

Maybe you knew that already, but maybe you didn't. Maybe you thought you didn't need crayons and coloring books in your life now that you don't wear diapers or drink from a sippy cup!

Well, I want you to know that's not true. Now is the perfect time for crayons and coloring books. Coloring is for everyone, and this coloring book is just for you!

Do you know what else? Coloring is not just for artists either. Whether you know it or not, you are creative, imaginative, and artistic, and the pages in this book are designed to help you create your very own masterpiece.

So grab your markers, colored pens, pencils, crayons, or even fingernail polish (but you better ask an adult about that one first), turn the page, and get to work!

But don't stop at just creating a beautiful picture. Read the words and let God talk to your heart. There are special messages from God to you in this coloring book. Don't miss them!

Once you are finished with a page, you can remove it and tape it to your wall, share it with a friend, or tuck it away in a special place for when you need to be reminded of God's love for you!

Oh...there's just one more thing I want you to do when you open this book to color, and that is to HAVE FUN!

“If you remain
in me and my words
remain in you, ask
whatever you wish, and
it will be done for you.”

JOHN 15:7

PSALM 19:14

May my words
and thoughts
please you.

Lord, you
are my Rock*
the one who
rescues
me.
